

NAMING OPPORTUNITIES BY COMMITMENT LEVEL (\$100K AND ABOVE)

The University recognizes those who make significant commitments to endowed funds, positions, programs and faculty research as well as facilities and campus spaces with naming opportunities that pay tribute to donors and their designees.

Prior to discussing any proposed gift amount with the donor/s, the specific naming gift amount must be approved by the Vice President of University Advancement and Executive Director of the Foundation as well as the President and/or the appropriate University Administrator.

Naming opportunities for gifts valued at or over \$1,000,000 require the approval of the Cleveland State University Board of Trustees.

For additional information please contact Brent Pieper, Assistant Vice President, Advancement and Chief Operating Officer, Campaign in the Office of University Advancement at (216) 523-7228 or b.pieper@csuohio.edu.
